

Dear QEST practitioners!

We are so pleased to invite you to the 2019 AAEM Conference. This year's conference will be held in Loveland Colorado at Sunrise Ranch, May 2nd thru May 4th. Our conference begins Thursday, May 2nd at 6pm and formally ends Saturday, evening the 4th at 5pm. By Saturday evening you will have received enough continuing ed hours to satisfy AAEM's yearly certification requirements. However, we are offering optional bonus time on Sunday morning, May 5th until noon.

Sunday morning is an opportunity, as many of you have requested, to work on one another. Most of our attending Masters have agreed to stay and volunteer their time on Sunday morning. They will share their expertise, offer guidance on an as-wanted, as-needed basis, help troubleshoot a condition, and answer questions while you work on one another. A mini-clinic! Accommodations at Sunrise Ranch may be available for those of you who choose to stay, so register early to lock in your Saturday night stay.

This year's conference committee has noted and taken in suggestions you have given us from conferences' past. We are doing our best to address them in the 2019 AAEM conference. It is our goal for each of you to take away at least one gem you can implement in your life and/or your practice, whether brand new to QEST or a longstanding practitioner of our work.

Topics will include:

- Metal Toxicity
- Connections in the human body and QEST
- The bridge between the hyoid and the psoas
- Lyme Disease, Strep and other bugs and impacts that can span a lifetime
- Panels and interactive discussions, skits and much more...
- A keynote speaker from outside our AAEM community (look for more information to come)

Register before March 1, 2019 to lock in early bird registration fees and your rooming preferences. Use the attached form to register or register online at www.aaemqest.org/events.

We, your conference committee--Luke, Mary, Tasha, Joan and Paula--are looking forward to seeing you at our best ever AAEM/QEST conference May 2-4th/5th 2019. See you in May!
